# Welcome to the Teach in Herts Recruitment Fair

Welcome to the **Teach in Herts Teacher Recruitment Fair** – an informative and inspiring event for experienced, new, returning or overseas qualified teachers, or for anyone interested in teaching as a career.

The Teach in Herts Teacher Recruitment Fair provides visitors with a unique opportunity to meet representatives from hundreds of Hertfordshire schools, as well as Teaching School Alliances and School Direct providers, to discuss teaching opportunities in Hertfordshire. In addition, experienced teaching professionals will be on hand to offer one-to-one advice and guidance on teaching in Hertfordshire, on routes into teaching and to answer any specific questions that you may have.

A series of helpful workshops will also be running throughout the day to provide you with the tools and information that you need to progress your teaching career. Please plan your day carefully to ensure you are able to attend all of the sessions that you are interested in, as well as talking to as many schools as possible.

Advice surgeries are available for any final questions you may have, but do take time to visit the workshops first as they will answer many queries you may have and will provide additional information.

Your feedback about today's Teacher Recruitment Fair will help us tailor future Teach in Herts events to visitor needs, so please do take the time to complete a short survey before you leave today.
