OUR LEADERSHIP

Dear Applicant,

Welcome to The Stockwood Park Academy – an outstanding learning community where we believe all students can achieve their very best and strive for excellence in everything they do.

One of our primary drivers as an Academy here is that we try to add value in all that we do – we are here to help improve the life chances of our learners, to ensure they realise our “Strive, Achieve, Believe!” motto.

The academy is part of The Shared Learning Trust - a family of schools, sharing our practice and beliefs to produce young people who achieve more than they ever thought possible.

I joined as Head of School in January 2020, and take great pride in the strides that we – staff, students and parents – have made. The Academy is served by a team of dedicated staff who work to ensure every child’s needs are met. There is an equal focus on the development of the whole child, alongside ensuring that they fulfil their academic potential. We believe that every member of the Academy should ‘Strive, Achieve, Believe!’

We are proud of the work we do to serve our community and achieved gold in the RACE Charter Mark (February 2023). TSPA is an environment that encourages excellent attendance, punctuality and attitudes to learning and behaviour.

Traditional values and manners matter to us! It is highly important to me that every student gains a taste of academic and personal success throughout their time at The Stockwood Park Academy no matter their starting point.

I believe that education opens the door to endless possibilities – this was a message given to me by mother, and something I have tried to instil in my son – and I want all the students at the academy to have same opportunity to aspire to the highest level of academic achievement possible.

Together we will make this happen.

Mumin Humayun
Principal

We aim to recruit staff who:

- Are excited by their role and by the prospect of working with young people, even those who are less motivated
- Love the processes of learning and teaching are keen to continually develop their own skills
- Recognise that teaching can be a demanding job but react positively to those demands rather than complaining
- Will subscribe to the ethos of the trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people
- See break duty as an opportunity to talk to children
- Are quick to praise and slow to criticise and are not afraid to admit to seeing themselves as potential leaders of the future

I am conscious that this may be first your contact with trust and first impressions are very important. I hope what you have read, coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes, Cathy

Providing the very best education for all our students is the simple goal for The Stockwood Park Academy. Whilst firmly rooted in traditional values, we have made our academy a vibrant and exciting place with a positive ethos that runs throughout the academy. We want our children to flourish and develop into decent, disciplined, well-educated and employable adults.

We have an innovative curriculum, which makes the transition from primary to secondary education an enriching and enjoyable experience and enables students to follow a personalised route to success. Our students are achieving the highest standards in the classroom, on the sports field and among the community.

Our state of the art building which we moved into in February 2011 offers cutting edge facilities that are benefiting students even further. Our hardworking and motivated staff are providing outstanding lessons and are given the best possible support. We work closely with parents and carers, encouraging their children to achieve and ensuring that excellent progress is made.

Recent additions include Phoenix (our inclusion support unit), a gym and a reflection room for staff and students.

With the rigorous use of data, constant assessment of student progress and quality assurance methods, together, we are achieving more than we ever thought possible. We instantly respond if students experience difficulties. Dialogue with teachers is encouraged as a framework for students to develop ideas, ask questions think about their learning.

TEACHER TESTIMONIAL

MICHELLE LEA-WATTS, DIRECTOR OF ENGLISH

Since joining The Stockwood Park Academy in September, and even prior to my arrival, I have been absolutely staggered by how friendly this school is. While I could describe how colleagues have been exceptionally supportive, I think it's most important to note just how lovely our students are because it is so refreshing to join a school and feel welcomed by the young people. This has a lot to do with the trusting nature of our students, but also the warm approach to behaviour management advocated and encouraged by the leadership.

As an English teacher it has also been amazing to see a school which has not only said it will raise the profile of reading, but is acting upon its word. All students regularly receive books as gifts and the emphasis on reading for pleasure is very strong. The renovations to the academy library and investment in specific reading programmes have made it clear that reading is valued here and is a priority. I have found the leadership team to be highly involved at all levels with a great presence throughout the academy – from break duty to teaching; there's a strong sense that we are all working together which is not always the case in other schools.

TEACHING AND LEARNING AT TSPA

At TSPA all lessons, centre around our 5 Principles of Effective Teaching (Retrieval practice, presenting new materials, guided practice, shed loads of practice and the best possible ending to your lesson). We recognise the importance of a high quality, challenging curriculum which must underpin what happens in the classroom and the value of feedback at all stages of teaching and learning. We are proud to make use of key strategies found in 'Teach Like a Champion' and 'Walkthrus' as they provide practical methods to implement Rosenshine's Principles of Instruction. We do not encourage unnecessarily elaborate approaches to lesson planning and delivery. We trust that our teachers are experts in their subject areas and allow them to design and deliver lessons to a high standard.

CLASSROOM ROUTINES

All of our classrooms have visualisers and classroom countdown timers. We expect lessons to be purposeful with opportunities for guided and independent practice. Our teachers regularly show what excellence looks like with the expectation that students are given the opportunity to produce work of a similar high standard.

FEEDBACK

Our feedback policy utilises Live Marking to support teachers in recognising common strengths and areas of the curriculum where students require extra support or reteaching. We assess our students regularly but are considerate of the impact this has on our teacher's workload. We recognise the value of feedback for our teachers too. Teachers work closely with our internal teaching coaches where feedback and professional dialogue is central to the ongoing development of each of our colleagues. Faculty areas also have regular opportunities to work collaboratively as part of our generous directed time policy.
