Use your Apprenticeship Levy as your CPD budget

Invest in staff development to learn, train, and upskill through high-quality apprenticeships

Fully fund specialist educational training to upskill current staff or employ new apprentice Teaching Assistants by utilising your Apprenticeship Levy.

- **Level 2: Community Activator**
(increase capacity for physical activity at lunchtime and after school)
- **Level 3: PE Teaching Assistant**
(Develop a role model for whole school PE, Health and Wellbeing focus)
- **Level 3: Teaching Assistant**
(inclusive of specialist SEND training)
- **Level 4: Sports Coach**
Develop a primary school PE Co-ordinator
- **Learning and Skills Assessor**
(with additional CCET qualification)

“Tutors use their teaching skills expertly to adapt training plans to ensure that each apprentice develops the broadest range of new skills and knowledge. Tutors ensure that apprentices’ learning is relevant to their school setting and their job role.” **Ofsted September 2021**
