### Advert

**Hours: Full time (position will be 5 days / 1.0 per week).**

**Salary: MPS 1 (£33,075) to UPS 3 (£50,471).**

We are looking to appoint 2 x dynamic and adaptable teachers to teach English (both positions are Full Time - 5 days per week) based at our KS4 Centre in Hoddesdon teaching year 10 and 11 pupils, who have a confident understanding of the curriculum and excellent subject knowledge. These roles are ideal for dedicated professionals who have a passion for supporting young people who face challenges in mainstream education.

The ability to offer another subject up to KS3/KS4 level is desirable.

Although supporting our young people can be challenging, the rewards are immense as we see them develop and succeed in reaching their full potential, gaining educational outcomes and returning to mainstream wherever possible. The work can be demanding at times but there is a high staff to pupil ratio - classes are small (max of 5 pupils) and always with TA support. We offer a supportive management team and the opportunity to effect real change and witness rapid progress is significant.

Rivers ESC works with a varied cohort of pupils including children classed as missing education, permanently excluded from mainstream schools, and many of the pupils have social, emotional and behavioural difficulties (SEBD).

#### **Why Join Rivers ESC:**

- Opportunity to make a significant impact on young people's lives.
- Work as part of a supportive and dedicated team.
- Professional development opportunities tailored to working in alternative provision.
- A chance to deliver education in innovative and creative ways.

You will possess excellent communication and proven organisational skills and be approachable, calm and positive. You should be a team player, who is also able to work on your own initiative.

The duties and responsibilities listed in the job description are as present. The post holder is expected to accept any reasonable alterations that may from time to time be necessary.

Rivers ESC is committed to safeguarding and promoting the welfare of children. All applicants must be willing to undergo safeguarding screening appropriate to the post, including an enhanced Disclosure and Barring Service (DBS) check, 2 employment references, medical, and online/social media checks.

We welcome visits to our school from potential applicants. Please contact HR Manager [heather.dunne@riversesc.herts.sch.uk](mailto:heather.dunne@riversesc.herts.sch.uk) to arrange.

We aim to be an equal opportunities employer and welcome applications irrespective of race, gender, religion, disability, sexual orientation and/or age. We value the individuality and creativity that every worker potentially brings to the workforce.

## Information about Rivers ESC

Rivers Education Support Centre is a unique organisation that works with children in the East Herts and Broxbourne areas, who are experiencing difficulties in their mainstream schools because of their social, emotional, and mental health difficulties. A highly skilled team of Outreach staff (Secondary, DSPL3, DSPL4, and Phoenix Centre) work in both primary and secondary schools throughout both areas with children who are at risk of permanent exclusion, with the aim of supporting them and their school to overcome the issues that are making school life difficult.

**At our Key Stage 3 Centre in Hertford**, pupils either attend for a short-term respite placement “The Reset Programme” or for a longer period while the next steps are arranged. Pupils are provided with a broad curriculum and any barriers to education are identified. Pupils are supported to find strategies to overcome any barriers to support them to be successful in school. Once a mainstream school has been identified, pupils are supported to reintegrate by our Secondary Outreach team. Where appropriate, statutory assessments are conducted for pupils at Key Stage 3 to identify additional support that may be required and, in some instances, to support the process towards placement in an alternative/ specialist provision.

**Our Key Stage 4 Centre in Hoddesdon** provides education for year 10 and 11 pupils. Where possible, pupils are supported to reintegrate back into mainstream school once it has been identified that they are likely to be successful. KS4 pupils complete a wide range of exam-based and vocational qualifications to work towards future aspirations and chosen career pathways. Pupils also complete work experience. Some KS4 pupils may work on learning pathways which include attendance at alternative provisions supported by centre staff. Pupils have access to a broad range of subjects at a variety of levels and are guided to be highly aspirational with the courses they select. Pupils’ outcomes are outstanding.

Rivers ESC works with the Fair Access Team in Hertfordshire to choose a new school placement and to plan how to meet the additional needs of the pupil who is reintegrating. We are a highly positive, solution-focused ethos, with a strong emphasis placed on pupils making progress in behaviour as being a key factor to outstanding academic progress. There are clear boundaries of acceptable behaviour across the organisation. Inappropriate, disruptive, and anti-social behaviour is discouraged by all staff in lessons and around both centres. Education takes place in a purposeful working environment.

**The Phoenix Centre (based on the grounds of our KS4 centre in Hoddesdon)** has its own primary support base on the grounds of the KS4 Centre in Hoddesdon. The Phoenix Centre supports children at Tier 3 and 4 of the DSPL4 Behaviour Service. We offer intensified outreach and short-term provision for primary school-aged children who are at risk of permanent exclusion. Children who attend The Phoenix Centre will receive bespoke therapeutic packages of support. These packages are designed to help children develop the skills they would need to be successful in their mainstream school. We are also able to provide short-term educational support for children who have been permanently excluded.

## **Our Aims**

Rivers ESC aims to provide a safe, secure, and happy environment where everyone will work hard to achieve their potential. Furthermore, we aim to build pupils' confidence by celebrating success and by nurturing a culture where it is ok to take chances and learn from our mistakes to build resilience and self-belief.

### **We aim to inspire and enable our pupils to:**

- Become confident, independent, and successful young people.
- Excel in learning.
- Engage positively with the community.
- Be ambitious for their futures.

Having respect for ourselves, other people, and our environment.

### **Relationships**

Developing positive relationships and behaviours with peers, staff, and family.

### **Resilience**
