Hitchin Boys' School (HBS) is a high achieving, all ability, single sex school with over 1,300 students on roll. In collaboration with our partner schools, we have a mixed sixth form. Our history stretches back nearly 400 years, but we embrace fresh thinking and a modern, vibrant curriculum. We have high expectations, excellent standards of behaviour and pride in our extra-curricular activities that lead to academically successful and well-rounded students, who are well equipped for life beyond school.

We are delighted to offer an exciting opportunity for a talented, highly motivated, and ambitious **Teacher of Media** to join our high-performing school. We are seeking to recruit someone who is inspiring, dynamic and has a love for the subject.

Media Studies is a popular and academically successful department. Results at A-Level and GCSE are consistently impressive. We follow the Eduqas specification at A-Level, AQA at GCSE and have also recently established KS3 Media Studies rotations. You would be joining a supportive and established department who are excited to offer this opportunity to be an active part of the department's continued growth at Hitchin Boys'.

This is an outstanding opportunity for someone who wants to join a high performing school and gain significant experience to further enhance their career. Applications are welcomed from ECTs, and also from those offering more experience. Applications from those wishing to contribute to other aspects of school life outside the classroom are particularly welcome.
