

Year 7 Assistant Teacher

Candidate Pack

Opportunity through community

Dear candidate,

Thank you for expressing an interest in this position. The Reach Free School is an 11 to 18-year-old school in Rickmansworth that serves pupils of all backgrounds and abilities. It was opened in September 2013 by teachers and local parents and continues to go from strength to strength.

Academic achievement, our school community, and a love of learning are key to this school's ethos, and we take great pride in knowing all of our pupils and what it is that makes them the individuals they are. Everywhere you turn in this school, pupils and staff work together to achieve the very best.

Our GCSE and A Level results are strong, we have a positive local reputation, and we remain innovative in our approach. All of this ensures that future generations of young people have access to an excellent, non-selective school right in the heart of their community.

Everyone involved in the school wants the very best for our pupils, and there are incredibly high expectations regarding their learning behaviour, how they conduct themselves, and the contribution they bring to the school. We expect all pupils to:

- Commit their best efforts to all that they do
- Work with their teachers to exceed their goals
- Support each other to achieve their potential
- Demonstrate exemplary behaviour in all that they do
- Take pride in their school and its community within its walls and beyond
- Enjoy learning

The school plays an active role in the community, working with local businesses, supporting local events and providing a hub for local services. Pupils are involved in the school's wider responsibilities, developing leadership and decision-making skills, communication and collaboration and independent, self-led learning.

The school was inspected by Ofsted in October 2024, who confirmed that effective action had been taken to maintain the standards identified at the previous inspection. As such, the school has elements that are outstanding and others that are firmly good. Attracting the very best staff is the most effective way to continue our development, which is important for us as we move through the school's second decade.

If you are passionate about contributing to the continued development of our unique school, then we look forward to receiving your application.

The Ethos of the School

The Reach Free School's ethos and curriculum are designed, first and foremost, to meet the needs of the young people in the local area. The core of our ethos is to personalise the education of every pupil so that they can maximise their potential and realise their dreams and aspirations.

We believe in the following principles:

Achievement – Realised through recognising the individual needs of every learner

Community – Embracing, utilising and supporting the local community for the benefit of all learners and building partnerships to support teaching and learning

Enjoyment – A commitment to innovative practice and the application of technology to develop enthusiasm for learning

Features of The Reach Free School

A Smaller School – With 750 pupils, The Reach Free School is a close-knit environment, ensuring a strong sense of community.

Modern facilities - In September 2018, the school moved to its £19 million new home with first-class facilities throughout.

'Outstanding' Judgements - In October 2024 the school was inspected by Ofsted, confirming that effective action had been taken to maintain the standards identified at the previous inspection. Here, the school received outstanding judgements for the 'Effectiveness of leadership and management' and 'Personal development, behaviour and welfare'. Many of the strengths identified in 2019, remain in place, including "Pupils experiences at this school are exceptional" and "pupils' behaviour is exemplary".

Transition – From September 2023, we have reverted to four classes in year 7, having taken an additional form of entry in 2022. Each year 7 class benefits from their own Home Room and a dedicated Assistant Teacher for the first year. This Assistant Teacher is the form tutor for this class, and supports learning in a range of subjects for their pupils. Together, these help ease the transition from primary to secondary school for the children and help us understand each child as an individual.

Focus on English and Mathematics – The school focuses on English and Mathematics, the building blocks for success in other subjects. Literacy and mathematics pervade teaching and learning at the school, and all teachers play a role in developing pupils' skills in these areas.

Reach Beyond – This is the school's all-encompassing wider curriculum, which includes a reading programme for key stage 3, a targeted academic support programme from year 10, our REACH Time PSHE programme and community projects, where pupils work together on local projects. Reach Beyond helps develop our pupils into creative, confident, and proactive individuals. At Sixth Form, we have a Reach Out programme for students as they prepare for life beyond school.

Technology-Rich – All pupils are provided with a school device, and teachers are encouraged to use the latest technology to teach creatively
