

Director of Tennis

September 2025

Welcome

Thank you for your interest in Haileybury. This is an exciting opportunity to join a highly successful school which is moving forward with confidence and a real sense of purpose. Haileybury was last year chosen as the 'Boarding School of the Year' by TES and, in 2023, was announced as the UK's best fully co- educational IB school.

Haileybury is a dynamic, outward-looking and future oriented school. We want our pupils to leave school with the values, skills and credentials they will need to thrive. We want our provision to be 21st Century relevant. We have recently completed a world class STEM facility, which allows our pupils to take part in research projects no other UK school can offer, and only a handful of other schools around the world can provide. Our attention is now turning to our next set of ambitious ventures.

We are ambitious and we pursue excellence, but Haileybury's success is built on the strength of each person's commitment to doing the very best they can for our school. If you feel excited by the prospect of being a member of a dynamic and successful team, then we would welcome your application.

The School

Haileybury is a co-educational boarding and day school for pupils aged 11-18. There are currently over 900 pupils at the School. Demand for places and pupil numbers has increased dramatically in recent years.

The Haileybury of today enjoys an excellent worldwide and national reputation. This reputation is primarily based on the very high standard of education that is provided at the School. This was reflected in the report written by the ISI Inspection team who visited the School in October 2022. The report gives a clear picture of a progressive, ambitious school which offers its pupils the very best all-round education. A copy of the report can be viewed [here](#).

Haileybury is a dynamic, outward-looking and future-oriented school. It aims to provide high academic achievement, outstanding pastoral care and a rich and varied co-curricular programme; we want our pupils to leave school as confident, rounded and ambitious individuals. As a large, diverse community, the fundamental values of service, empathy and respect are essential. Pupil voice is important and there are many opportunities for pupils to express their opinions, including an active Pupil Senate. The team of teaching and operations staff are dedicated and highly professional.

Haileybury comprises a dedicated Lower School (Years 7 and 8), a Middle School for Years 9-11 and a Sixth Form of around 360 pupils. All senior pupils are boarders or day pupils in one of the 12 senior Houses. There is also a junior boarding House and a junior day House. The Houses are set within the extensive campus grounds, and most of the teachers are also accommodated within 5 minutes walk of the School. The sense of community at the School is especially strong.

Haileybury has a vibrant academic culture. Its curriculum model is distinct and in the Sixth Form pupils have the choice of following the International Baccalaureate Diploma Programme (IBDP) or A levels. The most popular UK university destinations include Oxbridge and the Russell Group; Haileybury's pupils also achieve places at top North American and European universities.

Haileybury has a strong international dimension with two partner schools operating in Kazakhstan, and one each in Bangladesh and Malta. Haileybury is the sponsor of Haileybury Turnford, a nearby academy, and enjoys a well-established partnership with the school.

Tennis at Haileybury

Sport at Haileybury

Sport is integral to life at Haileybury and we encourage sporting excellence on both an individual and a team level. At the same time we strongly foster a “sport for all” mentality throughout the School and all our pupils participate in our sporting curriculum.

Tennis

Tennis is one of the most popular sports at Haileybury, with large numbers of pupils engaged in the programme during the summer term.

The programme is supported by year round coaching and an Easter short haul European tour. From a strategic viewpoint, tennis is establishing itself as a key sport for international pupils, in particular, and there is a strong desire to ensure the highest quality year round coaching provision.

Boys and girls are pushed to raise their tennis game to the highest level whilst also thriving in the enjoyment of this sport.

Facilities

For pupils wishing to learn and develop their tennis skills - both mentally and physically - Haileybury offers top class facilities which are available all year round. Expert strength and conditioning coaching is also provided.

There are eight outdoor courts on Hailey Lane and nine outdoor courts on the Astro, in addition to the four outdoor courts and four indoor courts on the onsite tennis centre.

Expert coaching from LTA coaches

Pupils have access to a team of highly experienced LTA coaches who deliver individual training throughout the year to players from performance through to developmental levels.
