

Maintenance Technician

September 2025

Welcome

Thank you for your interest in Haileybury. This is an exciting opportunity to join a highly successful school which is moving forward with confidence and a real sense of purpose. Haileybury was last year chosen as the 'Boarding School of the Year' by TES and, in 2023, was announced as the UK's best fully co- educational IB school.

Haileybury is a dynamic, outward-looking and future oriented school. We want our pupils to leave school with the values, skills and credentials they will need to thrive. We want our provision to be 21st Century relevant. We have recently completed a world class STEM facility, which allows our pupils to take part in research projects no other UK school can offer, and only a handful of other schools around the world can provide. Our attention is now turning to our next set of ambitious ventures.

We are ambitious and we pursue excellence, but Haileybury's success is built on the strength of each person's commitment to doing the very best they can for our school. If you feel excited by the prospect of being a member of a dynamic and successful team, then we would welcome your application.

The School

Haileybury is a co-educational boarding and day school for pupils aged 11-18. There are currently over 900 pupils at the School. Demand for places and pupil numbers has increased dramatically in recent years.

The Haileybury of today enjoys an excellent worldwide and national reputation. This reputation is primarily based on the very high standard of education that is provided at the School. This was reflected in the report written by the ISI Inspection team who visited the School in October 2022. The report gives a clear picture of a progressive, ambitious school which offers its pupils the very best all-round education. A copy of the report can be viewed [here](#).

Haileybury is a dynamic, outward-looking and future-oriented school. It aims to provide high academic achievement, outstanding pastoral care and a rich and varied co-curricular programme; we want our pupils to leave school as confident, rounded and ambitious individuals. As a large, diverse community, the fundamental values of service, empathy and respect are essential. Pupil voice is important and there are many opportunities for pupils to express their opinions, including an active Pupil Senate. The team of teaching and operations staff are dedicated and highly professional.

Haileybury comprises a dedicated Lower School (Years 7 and 8), a Middle School for Years 9-11 and a Sixth Form of around 360 pupils. All senior pupils are boarders or day pupils in one of the 12 senior Houses. There is also a junior boarding House and a junior day House. The Houses are set within the extensive campus grounds, and most of the teachers are also accommodated within 5 minutes walk of the School. The sense of community at the School is especially strong.

Haileybury has a vibrant academic culture. Its curriculum model is distinct and in the Sixth Form pupils have the choice of following the International Baccalaureate Diploma Programme (IBDP) or A levels. The most popular UK university destinations include Oxbridge and the Russell Group; Haileybury's pupils also achieve places at top North American and European universities.

Haileybury has a strong international dimension with two partner schools operating in Kazakhstan, and one each in Bangladesh and Malta. Haileybury is the sponsor of Haileybury Turnford, a nearby academy, and enjoys a well-established partnership with the school.

The role

The primary objectives of the **Maintenance Technician** role are to provide preventative and planned maintenance and minor repair services to the School's building portfolio ensuring that the School is safe, compliant and fit for purpose.

The duties of this post will include lifting and manual handling; therefore, the post-holder should be familiar with the procedures required for these areas.

The post-holder must hold a full driving licence and have demonstrable experience in a similar role.

This is a permanent full time role working 40 hours per week and will be required to work weekends on a rota basis.

The Maintenance Technician will report to the Head of Maintenance and Compliance.

The purpose of this job description is to set out the current principal duties of the post. It does not detail every individual task, and employees are required to undertake such tasks and duties as are allocated to them from time to time in accordance with the role.

This job description will be reviewed annually as part of the School's annual performance review process.

Responsibilities

- Inspect and carry out minor internal repairs to building fabric, joinery, furniture, decorations, firefighting equipment, plumbing and basic electrical maintenance (changing light bulbs).
- Repair small cracks and patches of plaster ready to receive decoration.
- Carry out minor structural repairs.
- Check, repair and service doors, ironmongery, window locks, fixtures and fittings and ensure that they are in good working order.
- Ensure that furniture is in good repair and safe for use.
- Check, repair and report any damage to fire doors, glazing, closures, signs, intumescent strips, door operations and exit alarms.
- Assist in the checking and testing of fire alarm systems and associated break glasses.
- Ensure all fire and safety signs are in place, clearly visible and secure.
- Check firefighting equipment and ensure faults to extinguishers are reported.
- Check plumbing and heating services within the buildings and make first hand repairs i.e. replace tap washers, ball valve washers, clear sink/drain blockages, refit/replace toilet seats.
- Maintain appropriate, accurate and up to date records of work undertaken and materials used.
- Monitor and report on Health and Safety issues identified during visits to boarding houses, classrooms or any other school building and ensure relevant action is taken.
- Remain up-to-date with all appropriate practices and regulatory requirements within allocated areas of responsibility and to undertake duties in line with established Haileybury practices and protocols.
- Undertake appropriate training to ensure that skills remain up-to-date and commensurate with the first class service required for this role.
- Drive school vehicles in pursuance of your duties, as requested, and as authorised under any School transport scheme.
- Establish and maintain effective communication channels and efficient/effective working relationships with other colleagues, customers and third parties.
- Any other duties as required to ensure the smooth running of the Maintenance Department.

Other requirements

Safeguarding and Child Protection
