CANDIDATE INFORMATION

Early Years (Nursery) Teaching Assistant

Westbrook Hay

Our mission is to develop academically successful, community minded, self-confident and well rounded individuals who are well prepared for their futures.

Westbrook Hay is a thriving co-educational independent day school. Pupils enjoy a broad curriculum, achieve excellent results and have the all-important confidence to succeed.

The school roll is currently at a record high of around 370 pupils and in September 2023 announced that it is growing its Senior Section of the school from Year 8 to Year 11 and will begin offering GCSEs. From September 2026 we will welcome our first Year 10 cohort.

Our ethos is to be a welcoming, inclusive community that provides the best for, and expects the best from us all.

The school is well known locally for its warm and welcoming atmosphere. This is something we cherish and, even though we are potentially going to grow slightly in size, we do not want to lose this ethos. We believe our ethos separates us from larger competitor schools in our locality. This ethos is generated by the staff and their relationships with the pupils and parents. It has been regularly described as 'friendly and professional'.

We are seeking a Early Years (Nursery) Teaching Assistant who can help us with achieving our mission and thrive under this ethos, supporting our youngest pupils to reach their full potential as they move through the school.

Our History

Westbrook Hay School, founded in 1892 by Augustus Orlebar in Bedford, has evolved over 130 years, relocating and renaming itself multiple times. Originally a small establishment with just two pupils, it grew under successive leaderships and moved to its current location at Westbrook Hay in 1963. It transitioned from a boarding school for boys to accepting day pupils and girls in the late 1970s.

Located between Berkhamsted and Hemel Hempstead in Hertfordshire, the school's beautiful location boasts 26 acres of parkland overlooking the Bourne Valley. For example, the school has a purpose-built Pre-Prep and has very recently upgraded many of its specialist facilities. The Performing Arts Centre, added in 2016, offers

impressive provision for dance, drama and music. Our new specialist facilities include two Science Laboratories with a prep room, a refurbished and modernised DT Workshop, a new ICT suite, an extended and upgraded Art Centre, six new changing rooms, and a state-of-the-art Food Technology room. These are in addition to our Sports Hall, Swimming Pool and modern, spacious classrooms.

Under various heads the school has expanded and modernised, while continuing to prepare students for prestigious senior schools such as Bedford, Berkhamsted, Haileybury, Millfield, Stowe and St Albans. The school now moves into a new phase of development becoming an all-through school to 16.

Long Term School Strategy

In September 2023, Westbrook Hay announced that it is growing its Senior Section from Year 8 to Year 11 to begin offering GCSEs.

The decision was made in reaction to the changing local market, from a position of financial strength and due to demand from current and prospective parents.

This process has started extremely well with record numbers of pupils joining into Year 7 and new starters into Year 8. Our First Year 9 cohort are now in place and thriving.

School Structure

The school is growing to form three main sections

Pre-Prep: for pupils from Nursery to Year 2, this section of the school is two form entry and consists of approximately 115 boys and girls.

Prep: for pupils from Year 3 to Year 6, this section of the school is two or three form entry and consists of approximately 175 boys and girls.

Seniors: currently just Years 7, 8 and 9 this section of the school consists of approximately 80 boys and girls. Under our long term strategy we will add Years 10 and 11, with the aim of having around 40 pupils in each year group.

Pre-Prep at Westbrook Hay

At Westbrook Hay we are dedicated to nurturing each pupil's uniqueness. This spans from their formative years and continues into their GCSE years where we take pride in providing an environment where well-rounded individuals can flourish and succeed.

Academic life at Westbrook Hay encourages effective, life-long learning habits, through a broad and engaging curriculum. Key to our academic success is the fact that every pupil is well-known in our close-knit community. Classes are small and our teachers ensure that they do all they can to support pupils with learning on an individual basis.

Curriculum

In EYFS, our topic-based curriculum aims to develop all areas of a pupil's learning and emphasis is placed on building confidence. The pupils learn through play and the opportunity to interact with their peers, benefitting from a small and attentive environment. Pupils in EYFS have daily access to our Outdoor Classroom where they have room to explore, create and imagine. They also regularly go on walks and expeditions around the school, visiting our orchard, pond and woodland areas. Further into their time in Nursery and moving onto Reception, the pupils receive a more structured approach to their education as the foundations for literacy and numeracy are established. EYFS Staff help pupils become familiar with the phonics system that is used throughout Pre-Prep, giving a firm foundation for reading. In Nursery, in addition to the Class Teacher, the children are taught by specialists in Physical Education and Dance. Music and Games are added in Reception.

In Pre-Prep, pupils in Key Stage One are predominantly taught by their Class Teacher. The pupil-teacher relationship is fundamental and the grounding for the child's development. Academic progress is carefully monitored through termly assessments and Pupil Progress Meetings ensure that all children fulfil their potential. Key Stage One Class Teachers teach Phonics, English, Maths, Computing, Guided Reading, Outdoor Learning,

PSHE and Topic. Subject Specialists are timetabled to teach Key Stage One pupils in Dance, French, Games, Music, Outdoor Learning and Physical Education, allowing them to make the most of our excellent facilities. Subjects such as Art, Geography, History and Science are delivered through Topic Lessons. The wide range of topics covered across Pre-Prep allows pupils to explore ideas through cross-curricular activities and provides opportunities to direct their own learning.

Pre-Prep Enrichment

Pupils in Pre-Prep enjoy a wide variety of enrichment activities. Pupils in EYFS are encouraged from an early age to take part in annual performances, including the Dance Display, Harvest Assembly, Nativity Production, Pre-Prep Poetry Recitation and Shakespeare Festival. All pupils also take part in annual performances at Harvest, Christmas and our Shakespeare Festival, while many choose to join the Pre-Prep Choir, Informal Concerts and LAMDA.

Reception pupils may choose to participate in the Westbrook+ after school programme, which offers clubs such as ballet, ball skills, construction, fencing and taekwondo. By giving our pupils plenty of choice, we know that we are providing them with opportunities to try something new, find their niche and to thrive.

Across the year, pupils have opportunities in school to extend their learning through visiting companies such as Zoo Lab and Wonderdome. In Reception, pupils have their first external school trip, and in Years 1 and 2 pupils go on a trip or visit once a term. Linked to their current topic, these trips and visits enrich pupil enjoyment and understanding of a topic, as well as build on skills such as independence and responsibility.
