

COWLEY HILL

learning for tomorrow every day

October 2026

Cowley Hill Primary School – SENDco

We are looking for a new SENDco to join our excellent school. We work hard to ensure shared workload, smaller groups, leadership release time and a great work/life balance! We have recently been inspected by Ofsted, under the revised framework, and proudly achieved the expected standard across all areas.

We have an excellent, well-equipped and resourced working environment. Classrooms are rich in technology, including their own set of chrome books, and resources to enhance children's learning experiences. We have extensive school grounds, including an outdoor gym, trim-track and outdoor classrooms.

Behaviour at the school is excellent, allowing teachers to teach, and pupils to learn. We are constantly evaluating our practices, striving to create the very best learning opportunities for our children. We are a forward-thinking school where staff are encouraged to take on responsibility and new challenges in a 'can do' culture.

We have happy and well-behaved pupils who enjoy their learning. Children's self-worth and self-esteem are developed through a strong, praise-based culture. We have a thriving Pupil Parliament made up of School Council, Eco Warriors, Sports Ambassadors and representatives from across the school.

We are looking for a team player whom we will support to develop their practice and future career. We have a really friendly and supportive staff team, who are ready to welcome a new member to our school.

If you want to make a difference to the children you work with and you would like to continue to further your own professional practice then please contact us to arrange a visit and see us in action.

Yours faithfully,

Louise Thomas
