COWLEY HILL

learning for tomorrow every day

November 2026

Cowley Hill Primary School – Teaching Assistant

Thank you for your interest in the post of Teaching Assistant at Cowley Hill Primary School.

In our most recent OFSTED (January 2026) Cowley Hill Primary School was recognised as an 'Expected Standard' school at the heart of the community. We are a fully inclusive school with strong cultural diversity.

We have an excellent, well-equipped and resourced working environment. Classrooms are rich in technology and things to enhance children's learning experiences. We have extensive school grounds, including a large pond with dipping platform and a Forest School area.

Behaviour at the school is excellent, allowing teachers and teaching assistants to teach, and pupils to learn. We are constantly evaluating our practices, striving to create the very best learning opportunities for our children. We are a forward-thinking school, where staff are encouraged to take on responsibility and new challenges in a 'can do' culture.

We have happy and well-behaved pupils who enjoy their learning. Children's self-worth and self-esteem are developed through a strong, praise-based culture. We have a thriving Pupil Parliament made up of; School Council, Eco Ambassadors and Sports Ambassadors with representatives from across the school.

We are looking for a team player whom we will support to develop their practice and future career, including routes into teaching.

If you want to make a difference to the children, you work with, and you want to further your own professional practice then please apply.

Yours faithfully,

Louise Thomas
Headteacher.
