Candidate Information

Welcome

At Haileybury International Summer School, we welcome students from over 25 different nationalities, creating a rich and diverse community from around the globe. We believe the best learning happens when young people are fully immersed in English, not only in exciting subjects, but all in the language they use to explore them. This is why we provide a vibrant, language-rich environment where every activity, both inside and outside the classroom, inspires communication, builds confidence, and fuels curiosity and discovery.

It is a pleasure to welcome you to Haileybury International Summer School. Our beautiful campus is a perfect learning environment, and a dedicated team of staff look forward to supporting and encouraging you.

I am sure that your lessons will be enjoyable and rewarding, and I hope that you have fun while taking part in the many activities and excursions on offer. These are excellent learning opportunities and will provide you with the chance to make new friends while taking in some world-famous sights.

We want Haileybury to feel like a home from home for the duration of your time with us.

With my best wishes for what I hope is an enjoyable and productive Haileybury International Summer School experience.

Haileybury

The Summer School

Our Summer School programmes are expertly crafted and delivered by highly qualified, passionate teachers, including members of Haileybury's own outstanding staff.

Pupils aged 11-13, with a minimum A2 level of English, study English Language while learning about history, world events, politics, science, culture, art, and technology, with related afternoon projects. Our pupils enjoy a range of exciting study tours and choose their focus activities. Our pupils aged 14-16 with a minimum B1 level of English can choose either STEM or ABH as their pathway. They will enjoy a range of study tours and choose an afternoon project class according to their interests.

With extensive experience teaching international pupils to the highest standards, our educators bring energy, expertise, and excellence to every lesson. Backed by Haileybury's impressive academic results, this team creates an engaging and supportive learning environment where every pupil is inspired to thrive.

We are proud to offer a Summer School experience led by educators who truly make a difference.

Pupils who join us for Summer School stay in our welcoming, single-sex boarding houses, where comfort and safety are top priorities.

With a fantastic staff-to-pupil ratio within each house, led by a caring and experienced House Parent, every pupil is well-supported and looked after round the clock. Pupil wellbeing comes first. Our caring staff are always on hand to offer support, encouragement, and a listening ear.

Meals at Haileybury are a real highlight! Pupils dine in the breathtaking Dining Hall, enjoying three delicious meals a day prepared by our professional catering team.

On excursions, study tours and workshops our pupils will explore iconic landmarks, dive into British culture, and take part in interactive, hands-on workshops that make learning unforgettable.

Evenings are packed with an incredible variety of activities to suit every mood, whether pupils are looking to relax, get active, or spark their creativity. Every evening is a chance to make new memories and practice English in a fun, social setting with friends from around the world.

Haileybury

Role

Haileybury International Summer School is an established and successful English language school offering an exciting Summer course in 2027.

The programme has an academic focus and is aimed at international students aged 11–16 with varying levels of English. The course includes an impressive range of activities, exciting excursions and educational study tours.

For 2027, we are also introducing a new, non-language focused course aimed at pupils aged 14 - 17 who wish to experience a short, academic programme at a top British boarding school.

As a Design & Manufacturing teacher within our Summer School, you will be required to play a part in the delivery of a high-quality academic programme. You will lead a number of design and technology projects and ensure that pupils are working safely.

The post of Design and Manufacturing Teacher involves working 3 hours per day four days a week, including planning and teaching lessons.

You will ensure all academic administration is completed to a high standard.
