

PARMITER'S SCHOOL
founded 1681

Co-educational Academy

Roll: 1430, 387 in academic Sixth Form

TEACHER OF SCIENCE

Salary: MPS or UPS plus London Fringe Allowance

An exciting opportunity for an enthusiastic Science specialist to join our expanding department. A level teaching in your specialism can be offered to suitably qualified candidates.

Science at Parmiter's attracts a large number of students to the Sixth Form and there are currently 19 A level Science teaching groups. Over half the cohort study Triple Science at GCSE. Attainment at GCSE and A level is consistently excellent.

Parmiter's is an exceptional school in which to teach, with highly positive and supportive relationships between the staff and students. Academic achievements are outstanding and many students go on to study Science related courses at degree level. Parmiter's coordinates Teacher Training for the Herts and Bucks Teaching School Alliance and offers a robust induction programme complimented by a bespoke CPD programme supporting colleagues at all stages of their careers. We are able to support the completion of an MA for candidates with the appropriate credits. Our admissions policy prioritises children of staff.

Applications are welcome from experienced and newly qualified teachers. NQTs are offered the option of a 1 July start date.

Application forms, available from the school website, should be returned with a covering letter to the Headmaster, Mr M Jones, Parmiter's School, High Elms Lane, Garston, Nr Watford, Herts WD25 0UU or by email to the address below.
