12th June 2019

Dear Candidate

Thanks for your interest in this exciting post at Haileybury Turnford.

It is a great opportunity for a specialist PE teacher who is also committed to developing their teaching in a second subject area. This role will provide enormous scope for a talented and ambitious PE teacher looking to also teach Year 7 and 8 Maths (or potentially a different second subject for the ideal candidate). This role will provide the successful candidate an opportunity to be part of our team as we seek a 'Good' Ofsted judgement at our next inspection.

We are a school on the up

It is an important and exciting time for our school. We are making real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing high quality professional development for all of our team.

PE is popular at Haileybury Turnford

We have strong teaching and good student attitudes towards PE. We run a range of co-curricular activities and fixtures for students, and also benefit from using Haileybury's excellent PE facilities. Our Year 9 Boys' Football Team reached the Final of the PlayStation National Schools' Cup this year, and we have some students who compete in a range of sports at county and national level.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body. There are also excellent opportunities for the PE Faculty to further develop their partnership with Haileybury to support our students. Both schools are fully committed to extending this unique opportunity in the months and years ahead.
