It is very important that you complete this section in chronological order, and detail accurately any gaps between employment and other activities.

Personal statement in support of your application

This section is very important. It gives you the opportunity to detail why you feel you are the best person for the job and why you are applying, and is the key information that is used for shortlisting.

Relevant information could include:

Referees

Give the names, addresses and email addresses of two people who are willing and able to provide references in support of your application. One of these must be your current (or most recent) employer.

We suggest you ask the headteacher of your most recent placement and your university or college tutor, as they will be able to comment upon your teaching skills.

If you are not currently working with children but have done so in the past, the second referee should be the employer by whom you were most recently employed in work with children.

Please note that family members, friends and relatives are not acceptable referees.

Referees will be asked about past disciplinary actions or allegations excluding those that were deemed to be unfounded, unsubstantiated or malicious when assessing your application. If you are subsequently made a conditional offer of employment, further information may be sought about health and absences.

Permission to work in the United Kingdom (UK)

Please complete this section and ensure that you are able to confirm that you have a legal right to work in the UK. You will also be asked to provide documentary evidence of this prior to commencing work with the Authority.

For further information, see www.jobs.cam.ac.uk/right/have/

Declaration

We need to know if you have a close relationship with and/or are related to any employee, governor or anyone else connected to the school, in order to ensure a fair selection process.

If you are appointed, you will be required to complete a disclosure application, which will be sent to the Disclosure and Barring Service (DBS). The DBS will provide a report to you and to the Local Authority on whether you have any history of criminal convictions, including
cautions and bind-overs. All posts in schools are exempt from the Rehabilitation of Offenders Act 1974; this means you must declare all convictions, including those that would normally be regarded as ‘spent’. The existence of a criminal background does not automatically mean that you cannot be appointed but it may do so.

You must sign and date your application form to declare that all information is correct.

If you send the completed form by email or submit the application online, you will be asked to sign the form at the interview, if selected.

**Returning completed applications**
Check spelling and grammar carefully and ask a friend to proofread your completed application before you submit it.

Complete your application online or return the form to the contact stated on the advertisement, keeping a copy for your records. Your completed application must be received before the closing date specified on the job advert.

**Other information relevant to your application**

**Health/medical details**
Successful applicants will be required to complete a confidential medical questionnaire and may be required to undergo a medical examination before their appointment is confirmed.
