March 2021

Dear Prospective Applicant

Appointment of Deputy Headteacher

Thank you for requesting information about the post. Should you decide to apply and be successful you will be joining a school that is on its journey to excellence by working with the Alban Academies Trust which includes Sandringham, Verulam, Wheatfields Junior and Wheatfields Infants' and Nursery schools in St Albans. What will strike you is the ambition we have for all the young people who attend Ridgeway and our plans to help realise this vision. We have set out to create an institution that cares deeply about young people and has the highest expectations for what they can achieve.

Ridgeway Academy opened its doors on 1 September 2018 following 18 months of preparation and support from the Alban Academies Trust and the local authority. The school has made rapid improvements in achievement since opening and exceeded the targets it set. Ridgeway Academy is oversubscribed for September 2021 for the second year running.

Our school is led by a strong team of senior staff and governors supported by a stable and committed teaching and support staff team who are constantly striving for excellence, seizing all opportunities for the benefit of our students and our staff. We are committed to professional development and have excellent opportunities for learning and career progression.

As a result of the school's rapid growth, we are in a position to appoint an exceptional person to join the leadership team as second Deputy Headteacher to work with the staff at the school in the task of taking Ridgeway on to greater achievement.

Above all, we are looking for an individual with a genuine interest in providing the highest quality in every aspect of the role. Our students deserve the very best we can provide. We believe in the importance of a collaborative approach and a commitment to the team. The successful applicant will benefit from being able to draw upon a wide range of experience within the school and will lead a dedicated team of professionals working together to achieve outstanding outcomes.

Thank you for your interest. If you feel that Ridgeway Academy can provide the challenges and opportunities you are looking for then we would be delighted to hear from you.

Yours faithfully

Sarah Mitcherson  
Headteacher

## Students

Ridgeway Academy has had a strong beginning, with students who have embraced the change in status and enthusiastically supported the new uniform and ethos of **'Everybody can achieve'**. The students are really keen for Ridgeway to become the best school in the area where they can develop their individual talents in a rich and challenging environment.

## The school

Ridgeway Academy is situated on the east side of Welwyn Garden City, Hertfordshire. It opened as a new academy on 1 September 2018 as part of the Alban Academies Trust.

There has been a secondary school on this site since 1956 when the High School first opened. Four years later Attimore Secondary Modern school also opened on the same site and in 1968 the schools were amalgamated and renamed Sir Frederic Osborn School. Now the school has moved into its new chapter of life as Ridgeway Academy.

Ridgeway Academy is a mixed non-selective school with the majority of its students living close to the school. The PAN for the school is 180. Prior attainment on entry has traditionally been below the national average for most year groups. Current student data indicates 35% disadvantaged and 24.5% SEND. Current Year 7 and 8 have a prior attainment which is much nearer to the national average.

The senior staff have been recruited over the past four years and form a very strong team that have the skills and abilities to support the Headteacher in helping to make rapid progress in the future.

One of the key features of Ridgeway Academy is its impressive campus. The site has the benefit of two school halls, plenty of rooms to accommodate the wide range of subjects on offer and significant amounts of outdoor space between the buildings. This means that students can enjoy the benefit of a large campus and the school has plenty of scope for future expansion. The financial position of Ridgeway Academy is secure and the school works proactively with colleagues in the Alban Academies Trust to sustain this.

As part of the conversion to academy status, a £1m capital refurbishment programme was completed during summer 2018 to replace all the existing windows to buildings. This has transformed the site resulting in a wonderful learning campus for young people to enjoy. In 2015 a new sports complex and 3G pitch was opened, which generates income for the school and is highly popular with our local community.

As a direct result of Covid 19 there has been significant investment in Google Suite including Google Classroom, staff intranet and devices for disadvantaged students. Our development fund is targeted to drive the highest outcomes in Teaching and Learning.

Ridgeway has a key focus on promoting the highest of expectations of students in their behaviour and attitudes to learning. Staff development is an important aspect of life at Ridgeway and is coordinated at school level and throughout the Alban Academies Trust. The Trust holds joint strategic sessions with senior and middle leaders and a joint annual conference involving staff across the Trust schools takes place in February.

The school has a strong and experienced governing body, excellent leadership from the senior team and many passionate and committed teaching and support staff.

The school community has positively embraced the recent changes; students are well behaved, happy, look smart in their new uniform and are extremely proud of their school; staff are highly motivated and are committed to drive improvements necessary to take us to be outstanding; and parents and carers work collectively with the school to secure positive outcomes for everyone.

The school is being well supported through membership of the Alban Academies Trust and this would be an exciting time to take on the role as Deputy Headteacher to shape the school's future development.

## The Senior Leadership Team

**Headteacher: Sarah Mitcherson**

**Deputy Headteacher: Jackie Smith**

**Assistant Headteacher: Steve Booth**

**Assistant Headteacher: Caroline Maddocks**

**Assistant Headteacher – English: Lucy Hyde**

**Assistant Headteacher – Maths: Louise Jesson**

**Business Manager: Marianna Ring**

## Alban Academies Trust (AAT)

The AAT came into existence in 2017 through the work of Sandringham School, St. Albans. In September 2018, Ridgeway Academy and Verulam School joined the AAT as part of the multi-academy trust to secure the improvement of all schools.

In the conversion of Sir Frederic Osborn School to Ridgeway Academy we secured £1m for capital development of the site. This has been invested in replacing all of the exterior windows and cladding making the buildings extremely attractive and energy efficient. In addition, the local authority supported the conversion by providing three years of lagged funding, a total of £1.1m, to be used by the AAT as it wishes to build a strong and growing school.
