

Chancellor's School

Appointment Brief for Teacher of Geography

Danes Educational Trust

MAKING THE DIFFERENCE TOGETHER

Chancellor's School

Dear Applicant,

Thank you for your interest in Chancellor's School.

You would be joining at an exciting time in the school's development and growth. Chancellor's is an inclusive school with exceptional academic results. We remain determined to strengthen our teaching and learning culture, and to make further improvements in the future.

We continue to be significantly oversubscribed with increasing numbers in our sixth form. Students make extremely good progress during their time at the school, and there are an impressive number of students who achieve the very top grades.

We are focused on achieving the very best for every member of the school community and we expect standards to rise further in the future. We joined the Danes Educational Trust in 2019 and this has helped create further exciting and varied opportunities for both staff and students.

We were also inspected by Ofsted (September 2018) and, whilst we remain rated as 'Good', there was a clear acknowledgement of the impact of the school's work of late and the progress we have made since the previous Ofsted. I am pleased that, as part of the Danes Educational Trust, we have taken further strides forward.

It is a privilege to be the Headteacher of Chancellor's School. It is a positive and rewarding place to work with a strong sense of community. Teachers are respected and valued not only by the Senior Leadership Team, but by students, parents and governors. Visitors often remark at how delightful our students are. Not only are they keen to learn, they are friendly, ambitious, proud of their school and eager to take on responsibility.

The highly professional staff is dedicated and focused on the core business of the school, teaching and learning. The governors and I are committed to the well-being and continuing professional development of all members of staff.

You can visit our website on www.chancellors.herts.sch.uk for further information about the school including the school prospectus. If you would like to organise a visit to the school or if you would like to discuss any position in more detail then please contact The Recruitment Team at recruitment@daneseedtrust.org.uk.

If appointed, you will benefit from working within an established, outstanding Trust. More information about the Trust can be found [here](#).

Becoming part of the team at the Danes Educational Trust will give you an opportunity to make a difference to the educational outcomes of young people in Hertfordshire, whilst providing you with an opportunity to pursue your passion for education.

In the last year, we have expanded to be a Trust of nine schools: St Clement Danes School, Croxley Danes School, Chancellor's School, Onlsow St Audrey's School, De Havilland Primary School, Elstree Screen Arts Academy, Ascot Road Primary School, Lanchester Primary School, Jupiter Primary School and we have more schools in the pipeline. Schools maintain their own individual cultures and relationships with their community and networks, but align through key educational policies and school improvement strategies, and crucially align with respect to the Trust's vision and core values.

You will be part of a Trust that develops optimistic, resilient learners and valued, empowered staff. We collaborate with local, national and global partnerships to achieve our vision of 'Making the Difference Together' and consider our core values to be at the heart of what makes our Trust unique:

- We value **joy** in working, teaching and learning together
- We encourage everyone within our Trust to feel **optimistic** about the future and how they can shape it
- We support all individuals in developing **resilience** to enable them to respond to change and grow as a result
- We value and support the **wellbeing** of all individuals who learn and work in our schools
- We provide **equality** of opportunity and experience for all
- We provide a **safe** and secure learning environment for all

Chancellor's School

Chancellor's is a recent academy converter, part of the Danes Educational Trust with approximately 1250 pupils, aged 11–18. It is situated in the beautiful village of Brookmans Park in South Hertfordshire. The school opened in September 1964. The impressive and picturesque grounds are some 15 acres in extent including substantial sports grounds.

We have been a specialist mathematics and computing college since September 2004 and have held a second specialism in languages since April 2008.

Many of our students come to the school from local villages as well as from Potters Bar and Hatfield. Additionally, 10% of students are admitted to the school on their musical aptitude.

Our curriculum is broad in Years 7 and 8. In Years 9, 10 and 11 students study a broad core of subjects including PSHE (Healthy Minds), English, Mathematics, Physical Education, Religious Education, Science and ICT. In addition, students are able to express a limited preference for further subjects to support their individual interests and aspirations. 75% of our students typically study the English Baccalaureate and a large percentage of our students stay on to study in our sixth form.

We are also committed to offering our students a wide range of extra-curricular opportunities. Music and drama flourish at Chancellor's with many concerts and performances. There are clubs for students of all ages, and regular visits are arranged to plays, exhibitions and museums. The main sports include football, rugby, netball, athletics and basketball and a number of our students play for county teams.

There are 95 members on the teaching staff, both full and part time, supported by a professional and organised associate staff.

Further details about Chancellor's may be found on our [website](#). Enquiries by telephone are welcome.

The Humanities Faculty and Geography Department

The Humanities Faculty is a very strong team committed to providing the best possible opportunities for all students. Our vision is to allow all learners to discover and understand the world through investigation, evaluation, lively debate and team work. We place a strong emphasis on challenge and have high expectations of all our students. We are committed to high quality teaching and developing skills into the classroom using approaches such as interleaving, knowledge recall to build core knowledge and understanding. Students are expected to enquire, evaluate evidence, interpret its significance, investigate change and continuity and reach judgements as the basis of all our lessons at every key stage. We expect that all students will achieve their best, enjoy the journey and strive towards excellence, in keeping with the school's motto.

The faculty work collaboratively together and meetings are held regularly to discuss faculty issues and to support staff in aspects of our new knowledge rich curriculum. There is a wide range of responsibilities within the faculty which are distributed amongst the staff, bearing in mind their skills, experience and personal desires. We expect all members of the faculty to work together as a team, sharing the overall task of achieving the faculty's aims.

The Geography Department is a well organised, thriving department which is popular with the students. The dedicated staff are supportive of each other and share a vision of driving the department forward. This role would provide an excellent opportunity for an ambitious and outstanding geography teacher who wishes to further develop their career in a successful and supportive school environment with great opportunities for personal development.

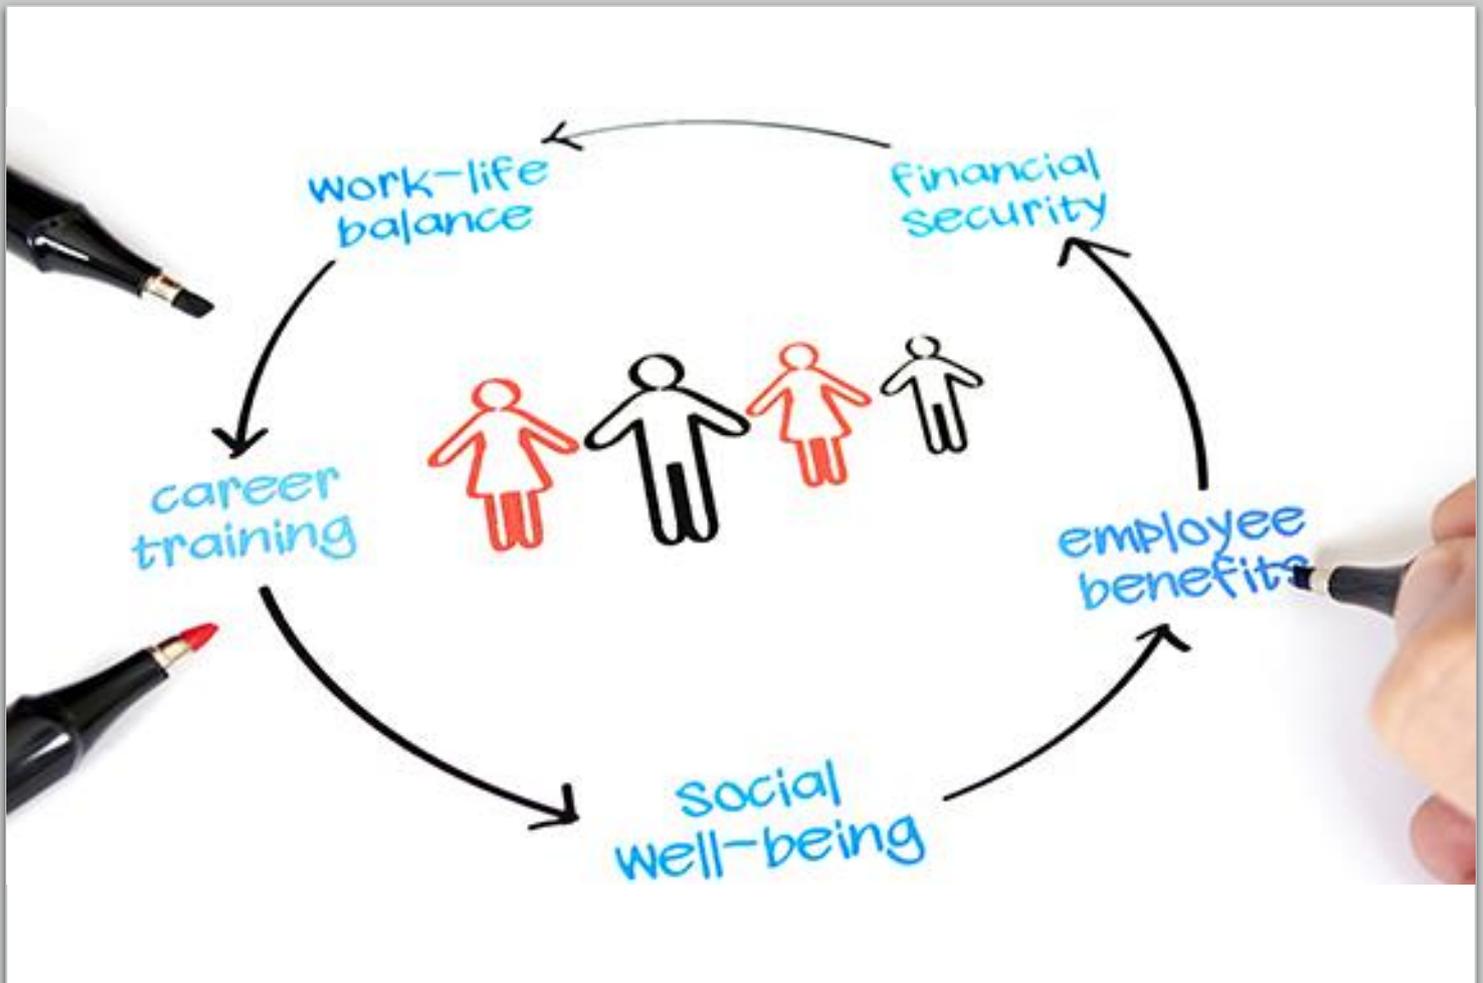

Geography is a popular option at Key Stage 4. At present there are 4 teaching groups in Year 11 and 4 in Year 10. GCSE results are good with 69% of pupils achieving 9 – 5 in 2021. At A Level, numbers are strong and increasing with around 15-20 students in each cohort. Many students then go on to study Geography or a Geography related subject at undergraduate level, showing the popularity of the subject and students' recognition of the relevance of the subject today. A Level results are also good with 50% of students achieving A*-B at A Level in 2020.

Extra-curricular provision and field work trips form a strong part of the ethos of the department. We have traditionally offered a bi-annual visit to Iceland and a week-long residential fieldtrip is a core fixture in our A Level calendar.

We can offer a range of benefits including:

- Children of staff are admitted under criterion 2 of the secondary transfer admission arrangements, after two years' service
- Exceptional CPD opportunities
- We run a strong and robust induction programme for Early Career Teachers (ECTs) We have a vast experience of working with ECTs and we see ECT Induction as a means to develop the best teachers in the local area
- Study Assistance Programme
- Comprehensive Employee Assistance Programme
- Membership of the Teacher's Pension Scheme / Local Government Pension Scheme
- Career development opportunities within an expanding Multi-Academy Trust
- Opportunities to expand your professional networks through the Trust's external partnerships e.g. Science & Learning Partnership, Challenge Partners
- £250 New Employee Referral Scheme (i.e. finder's fee) for any qualifying positions that you refer the successful candidate for
- Cycle to Work Scheme
- Occupational Health and an onsite Counsellor
- Free flu jabs
- Free parking
- Staff Committee that organise regular social events
