

Alban Academies Trust

'Sharing educational excellence for everyone'

NQT Package

The Alban Academies Trust offers an enhanced induction programme for all of their Newly Qualified Teacher (NQTs). This programme commences at the beginning of July with our 3-week summer induction programme. Attendance on the induction attracts an attendance payment of £2,000 (£1,000 paid in July and £1,000 paid in August). NQTs are then contracted on the main pay scale from 1st September.

The induction programme is delivered at home schools as well as jointly, enabling all NQTs to meet their peers within the Trust.

All NQTs are provided with a laptop.

Individual support is provided by subject and senior leader mentors and we offer subject specific as well as general training through the Alban Teaching School Alliance (ATSA) and Herts for Learning (HfL) events, for example:

- HfL subject specific training (not the NQT conference)
- NQT networks (secondary and primary)
- New to form tutor training (if appropriate)
- Attendance at Teaching and Learning Conference (Saturday 21st September 2019)
- Subject specific enhancement in (Maths, MFL, Physics) – if needed
