

PARENT TESTIMONIALS

I cannot praise Southfield enough, the teachers have such a wealth of knowledge and understanding of all the children.

My son came from a mainstream setting and in the past two years has excelled beyond belief. When he first started he couldn't write, or more to the point, didn't want to. With the care and attention Southfield offered, within a term he is happily writing, now he is quite a keen writer making up his own stories during reward time.

Not only are the staff amazing with the kids, but the personal contact with the parents is exceptional. The head teacher is so approachable and deals with any issues as soon as they arise. I would recommend this school to anyone, 5 stars from me!

Our son has settled really well at Southfield. The staff provide an incredibly nurturing environment and a fun and enriching curriculum for our little ones, which enables them to thrive. We are really grateful for the regular and thorough communication we receive so that we can gain an insight into our child's learning and overall experience at school.

Southfield is a special place which offers specialist support from caring staff tailored to each child's needs.
