What is Herts for Learning?

Herts for Learning Ltd (HfL) is the UK's largest Schools Company. Developed from Hertfordshire Local Authority's education services, the company is now owned and accountable directly to schools.*

We provide flexible, high quality teaching, learning, leadership and business support to schools and education settings in Hertfordshire and beyond.

As a not for profit company, dedicated to raising standards and improving teaching and learning, we continuously re-invest in our staff to ensure you receive best-value, up to date and evidence-based support.

Who works with HfL?

HfL offers a wide range of consultancy, training and business services to all types of educational setting. We help outstanding schools remain outstanding and good settings to become great. We have a strong track record of helping schools make required improvements and quickly raise schools and academies out of Ofsted categories.

We employ an experienced team of qualified experts ready to work with you whether you are a childminder working with 3 year olds or an A level teacher in a free school. If you educate children aged from 0 – 19, we are here to help.

How can HfL help you?

All of our staff are highly qualified, experienced practitioners with expertise in leadership and subject knowledge across the curriculum.

We can work with you to:

- Provide support, challenge and guidance to Headteachers through our School Improvement Partner programme
- Coach, train and support teaching practitioners across all phases and all subjects
- Train, support and inform school governors
- Support and develop your expertise in assessment, target setting and curriculum planning
- Provide support and guidance to staff for Special Needs, Gifted & Talented and BME pupils
- Offer specialist education support services for HR, IT, MIS and internet connectivity
- Provide in school financial support and expertise

We are able to deliver support locally through training, bespoke consultancy, whole school INSET or cluster sessions, and through our extensive training course programme which you can find online at:
