- **You must complete all sections of the form.** If a section is not applicable, please state this – do not leave any blank or unfilled sections
- A CV, or an application form that simply refers to an enclosed CV, cannot be accepted in place of a completed application form

It is very important that you complete this section in chronological order, and detail accurately any gaps between employment and other activities.

Personal statement in support of your application

This section is **very important**. It gives you the opportunity to detail why you feel you are the best person for the job and why you are applying. Use the job description and person specification as a guide, and focus on how your skills, knowledge and experience meet the job requirements, giving specific examples. Include also details of voluntary work you have been involved in, experience at school and any relevant experience outside work.

Declaration

We need to know if you have a close relationship with and/or are related to any employee, governor or anyone else connected to the school, in order to ensure a fair selection process.

If you are appointed, you will be required to complete a disclosure application, which will be sent to the Disclosure and Barring Service (DBS). The DBS will provide a report to you and to the Local Authority on whether you have any history of criminal convictions, including cautions and bind-overs. All posts in schools are exempt from the Rehabilitation of Offenders Act 1974; this means you must declare all convictions, including those that would normally be regarded as 'spent'. The existence of a criminal background does not automatically mean that you cannot be appointed but it may do so.

You must sign and date your application form to declare that all information is correct.

If you send the completed form by email or submit the application online, you will be asked to sign the form at the interview, if selected.

Returning completed applications

Check spelling and grammar carefully and ask a friend to proofread your completed application before you submit it.

Complete your application online or return the form to the contact stated on the advertisement, keeping a copy for your records. Your completed application must be received before the closing date specified on the job advert.
